

# Mattress comfort and protection

To increase the comfort of mattresses, but also to protect it, Blycolin has various solutions in its sales program. The right product for every situation. Covers and plateau flannels protect mattresses and offer extra hygiene and extra sleeping comfort for your guests. We therefore have various products in a wide range of qualities in our assortment.

# Mattress comfort and protection

## Cover flannel cotton

The cover flannel is produced of 100% cotton. Because of the 200 grams/m<sup>2</sup> flat binding, it provides solid protection for your mattress. The flannel can be washed at 95°C and can be used for mattress heights from 18 to 25 cm.

## Cover flannel Care Plus

The cover flannel Care Plus is manufactured from a paper-thin supple fabric that consists of 70% polyurethane/30% polyester (PVC free), which makes the flannel anti-allergenic, flame-retardant and water-repellant and offers optimal hygienic protection for your mattresses. This flannel is suitable for mattresses from 18 to 25 cm in height.

# Mattress comfort and protection

## Comfort deck

The Comfort Deck is a new product in our assortment. It is a product that, besides the protective qualities of a flannel, also genuinely has comfort-increasing added value. This is because of the thickness, or the weight of 750 grams/m<sup>2</sup>. This will give your guest a truly luxurious feeling. The Comfort Deck has wavy band stitching, a hollow fiber filling and a polyester/cotton cover and can be washed up to 40°C.

A minimal ordering quantity of 25 pieces.
