

Pillows

Pillows are very important for comfortable and healthy sleeping. In its sales assortment, Blycolin has a wide range of pillows. You can trust the aspects of durability, hygiene and health. Without losing one night's sleep.

Pillows

Soft pillows

Comfort

The 60/70 Comfort Pillow weighs 700 grams and is filled with the Dacron fiber 808. It remains voluminous and supple. The cover is 100% percale cotton with a 30 cm zipper. The pillow is available in two sizes and can be washed up to 40°C, is anti-allergenic and can even be tumble-dried at low temperature.

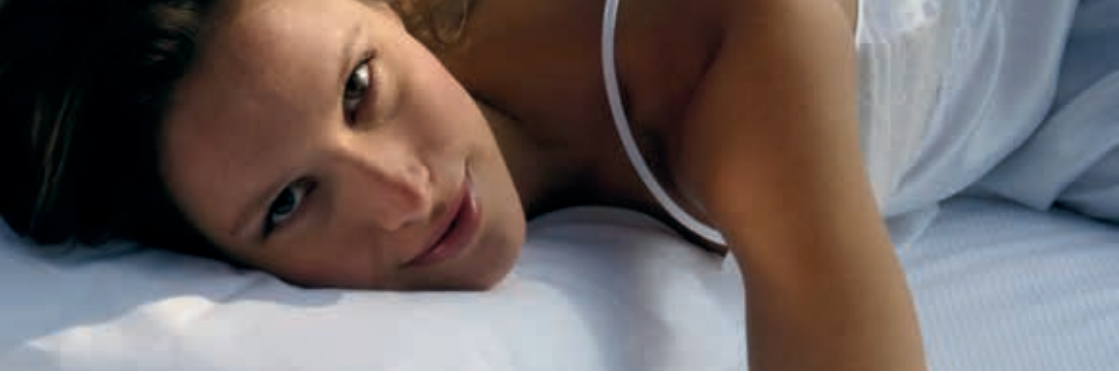

Half Down

The Half Down Pillow weighs 900 grams and contains 15% goose down and 85% goose feathers. Lovely supple and soft for your guests. The cover is manufactured of 100% cotton. We advise you not to wash this pillow, but to have it dry-cleaned. Of course, it is also good to regularly air and fluff up your pillows.

Medium pillows

Luxury

The Luxury Pillow 60/70 weighs 800 grams and is extremely airy and luxuriously soft. That is because of the countless light polyester balls, that are anti-allergenic and optimally adapt to the shape of the neck and head. The optimal comfort is increased even further because of the 100% percale cotton cover. This pillow, in two different sizes with a 30 cm zipper, is washable up to 60°C and can even be tumble-dried at low temperatures.

Goodcare

The Goodcare Pillow 60/70 weighs 850 grams and is a springy pillow with a 100% stitched percale cotton cover. The filling of this pillow is rather special, as it consists of 100% siliconized balls that give dust mite and bacteria zero chance, so it's anti-allergenic. Goodcare pillows can be washed up to 60°C and can even be tumble-dried at low temperatures.

Ecodown

The Ecodown Pillow is a real smash hit in our sales assortment. The 60/70 pillow has a 1200 grams weight and consists of 100% siliconized Ecodown polyester fiber with a 100% percale cotton cover. This pillow has a very high degree of moisture regulation and is permanently springy and anti-allergenic. Ecodown can be washed up to 60°C and can even be tumble-dried at low temperatures.

Firm pillows

Latex mix

With 1500 grams, the Latex Mix pillow is the heaviest pillow in our sales program. The filling consists of 50% latex rods and 50% synthetic balls, so it's anti-allergenic. The Latex Mix is available in off-white and has a 100% twill cotton cover with a 30 cm zipper. The pillow is washable up to 60°C.
