Soft pillows

Comfort

The 60/70 Comfort Pillow weighs 700 grams and is filled with the Dacron fiber. It remains voluminous and supple. The cover is 100% percale cotton with a 30 cm zipper. This optical white pillow is available in two sizes and can be washed up to 40°C, is anti-allergenic and can even be tumble-dried at low temperature.

Half Down

The Half Down Pillow weighs 900 grams and contains 15% goose down and 85% goose feathers. Lovely supple and soft for your guests. The optical white cover is manufactured of 100% cotton. We advise you not to wash this pillow, but to have it dry-cleaned. Of course, it is also good to regularly air and fluff up your pillows.

Medium pillows

Luxury

The Luxury Pillow 60/70 weighs 800 grams and is extremely airy and luxuriously soft. That is because of the countless light polyester balls, that are anti-allergenic and optimally adapt to the shape of the neck and head. The optimal comfort is increased even further because of the 100% percale cotton cover. This pillow has a 30 cm zipper. It can be washed up to 60°C and can even be tumble-dried at a low temperature.

Goodcare

The Goodcare Pillow 60/70 weighs 850 grams and is a springy pillow with a 100% stitched percale cotton cover. The filling of this pillow is rather special, as it consists of 100% Wellcare polyester fibers treated against bacteria and dust mite, so it's anti-allergenic. Goodcare pillows can be washed up to 60°C and can even be tumble-dried at low temperatures.

Ecodown

The Ecodown Pillow is a real smash hit in our sales assortment. The 60/70 pillow has a 1200 grams weight and consists of 100% siliconized Ecodown polyester fibers with a 100% percale cotton cover. This pillow has a very high degree of moisture regulation and is permanently springy and anti-allergenic. Ecodown can be washed up to 60°C and can even be tumble-dried at low temperatures.

Pure Eco

The 60/70 Pure Eco pillow weighs 700 gram. The recycled PET filling (rPET) ensures a voluminous, springy and anti-allergenic pillow. The cover is made of soft, pure, 100% organic and Fairtrade cotton, which complies with the strict demands of the Global Organic Textile Standard (GOTS). Honest, pure and clean! By combining an organic / Fairtrade cotton with a recycled PET filling, the ecological and social conditions as well as the stability of small scale producers are all taken into account. The Pure Eco pillow can be washed up to 60°C and even tumble-dried at a low temperature.
